High Lift and Sliding Tailgate “all-in-one” option for 5 yard bodies and larger. You can’t find it anywhere else.

Check out the new **High ‘N Slide Tailgate** from **Ox Bodies, Inc.** This is a patent-pending design that has been fully developed, tested and already in use by many customers. The High ‘N Slide offers a benefit to both municipal and commercial customers with added functionality and versatility.

Municipal Users:

Including this feature into municipal specs provides you the ability to eliminate competition while offering a premium product and benefit to the customer.

Commercial Users:

The full-width metering gate offers commercial customers control of their sand, gravel, or asphalt materials. The High ‘N Slide provides versatility to control material flow. It is designed to work with a powerful, electric power unit raising and lowering the sliding mechanism in as little as 15 seconds.
